Dress Guidelines:

Appropriate Semi-formal Wear for ladies:

1. Strapless or thin-strap dresses are acceptable, provided the dress is modest. If you choose a strapless dress, it should fit snugly and not slip down while dancing. Pulling and adjusting dresses diminishes a polished and sophisticated look.
2. Full, tea, and knee length dresses are appropriate for semi-formal events. Short skirts or dresses must be modest and no shorter than five inches above the knee. To measure, kneel on the floor and measure from the floor to the hem.

Inappropriate for ladies:

3. Low cut or plunging necklines; use camisoles (camies) if necessary
4. Bare mid-drifts or sheer material
5. Tight-fitting/stretched to fit styles

Appropriate Semi-formal Wear for gentlemen: Suits or dress trousers with shirt and tie and dress shoes.

Inappropriate for gentlemen: Jeans, t-shirts, athletic shoes, and sandals

Those wearing inappropriate attire will not be admitted and parents will be notified

Behavior Guidelines:

1. No dancing or activity that imitates explicit sexual actions or behavior.
2. No long kisses or sitting on laps.
3. No substance or alcohol use before or during dance.
4. No leaving the dance before 11:00 pm unless previous arrangements have been made.
5. Check all bags at the door with a chaperone and retrieve at departure.

Consequences for Violation: Chaperones may give one warning for inappropriate behavior; continued inappropriate behavior will result in the student being asked to leave, and parents will be notified.
