## Symphonic Band

High school musicians are highly encouraged to purchase their own, quality instrument and care kit from a reputable music store. Please email Mrs. Lynch at [Glynch@chapelgateacademy.org](mailto:Glynch@chapelgateacademy.org) if you would like a recommendation. A limited number of instruments are available to borrow from the school.

## Studio Art

Studio Art is designed to support the independent artist. Though supplies are available in the Art Room, students might want to provide their own in lieu of the virus. Canvases and paper are both available from the Art Room. Since art materials are very expensive, I suggest they be voluntarily purchased on a “needs-be” basis. As an overview, the following are some suggestions in case artists want to come prepared ahead of time:

- Professional Markers (not **Crayola**)
- Thin, permanent markers
- Drawing pencils, a variety of B-H
- Tortillion Stumps
- Chalk Pastels
- Colored Pencils (Professional Grade, **Prismacolor** suggested)
- Oil Pastels
- Chalk Pastels
- Acrylic Paints
- Oil Paints
- Watercolor Paints (Professional Grade in tubes)
- Variety of brushes for each of the above media

## FOR INTERNATIONAL STUDENTS:

- International students in high school are expected to have a translator on their devices. *International students may not use their cell phones as translators.*
- Students may use translators in class for classwork and homework assignments.
- Students may not use translators for tests, quizzes, or other assessments.
- Students may not use their cell phones or other digital devices during school for any purpose unless the teacher gives them permission.
