### **Attention C.C.A. parents and middle school students:**

Reading over the summer is an enjoyable opportunity to improve reading skills, speed, comprehension and vocabulary. C.C.A. is offering encouragement with a reading incentive program. Students are to choose at least five books from the attached reading list. After a student has completed reading each chosen book and completed the book report form, a parent must sign the form attesting to this fact.

One form is to be completed for each book read. During the first week of school in the fall, book forms will be collected by Reading and English teachers. Students achieving the goal of five books will be invited to a celebration lunch of pizza, soda and ice cream sandwiches.

- \* Students in grades 6, 7 and 8 Reading and English classes will receive extra credit points for books read on the list.
- \* If you want to read a book that is not on the list, please check with your Reading/English teacher. This is only a **suggested** reading list.
